Report on Cultural Programme on the occasion of World Story Telling Day

The Department of History successfully organised a Cultural Programme on the occasion of World Story Telling Day at Kaziranga Orchid Park on 20th March, 2024. The event aimed to celebrate the rich tradition of storytelling, highlighting the importance of oral history, folklore and cultural heritage.

The programme commenced with an inaugural speech by Debajani Bora, HoD, History, Who emphasized the significance of storytelling in preserving historical narratives and cultural identity. Students from the department actively participated in the programme. The mesmerizing Bihu dance performance and recitation of indigenous folk stories received special appreciation from the audience. The event was a grand success, leaving the audience inspired and eager to continue the tradition of storytelling in their own lives.
