## National Service Scheme (NSS) Nonoi College Unit

The National Service Scheme (NSS) is a community service programme with the objective of building social consciousness in students. NSS provides an opportunity to students in the capacity of volunteers to venture out of their comfort zones and make a difference to society. The National Service Scheme (NSS) was launched in 1969, the birth centenary year of the Father of Nation, by the Government of India. It is a voluntary association of young people, especially college students to work for campus-community linkages. With a broader aim to work in the spheres of both physical and mental health, sanitation and welfare, NSS Unit of Nonoi College is working to imbibe the idea of social welfare in students and instil the motto of 'NOT ME BUT YOU' in them in the literal sense. Inspired by this philosophy, the curriculum of the NSS chapter of Nonoi College, comprises a gamut of various events and activities undertaken by volunteers who have channelized their creativity and spirit of volunteerism to bring about meaningful change.
